The health care price for any given health care service is **an estimate** and that the actual charges for the health care service are dependent on the circumstances at the time the service is rendered.

If you **are covered** by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided by a health care provider at this office.

If you **are not covered** by health insurance, you are strongly encouraged to contact our billing office at (719) 266-0411 to discuss payment options prior to receiving a health care service from a health care provider at this office since posted health care prices may not reflect the actual amount of your financial responsibility.
